Saturday October 5th, 9:00 am to 4:00 pm.
Sunday October 6th, 9:00 am to 4:00 pm

Graeme & Melissa will lead you through the fundamentals of design, influence and a wide range of surface embellishment techniques. Tools and materials provided. You will be able to determine your own projects, with guidance from Graeme & Melissa on possibilities to suit individual ideas, skill levels, tool kits and ideas. Bring pre-turned pieces and/or test boards to play on, and finish if time permits. This class will cover design and influences to any depth you desire, learning to decorate and personalize your turnings, wood selection, preparation and drying, rotary carving, woodburning and tip making, application of acrylic and milk paints, paste waxes and finishing techniques. We will also cover tool selection, sharpening and safety.

Maximum of 10 students in the class.
