

WEEKLY WOODTURNING

COMMUNICATION

September 22, 2021

Hello Everyone,

Some say better late than never. I haven't had access to my computer to type my email the past couple of days. So here I am on Wednesday morning, doing something that should have been out Monday. The good thing is I know you all understand 😊

We are having the BBQ this week on Saturday September 25 – 11am – 4pm. It will be rain or shine as we have quite a large indoor/outdoor space available, so no worries there. Please, if you haven't already contacted me, RSVP at colleensamila@gmail.com

We will also be having a Show and Tell table, so please bring anything you have been working on! Always fun to see someone else's turnings and not a photo from the internet! Although that works too, but for me it's the tactile feel I love the most.

We have to give a shout out to Kade Bolger who is doing an AAW remote demonstration – congratulations, your hard work is paying off! Check it out here

This Thursday, September 23 – tomorrow - We are having our first Zooming Skills Night, thanks to Richard Pikul. Of course we will be covering our annual topic of sharpening. I haven't heard from anyone as of yet concerning any issues they have been having from a sharpening standpoint, so this will just be a good refresher course for us all. Although, those online can always ask questions live!

Coming up in October for the meeting on the 14th, we have our very own Frank Didomizio demonstrating turning square pieces. Something that I have wanted to do for quite a while and have never done! This may be my opportunity to learn.

Also, a friendly reminder about our annual dues. Please submit your \$60 either by e-transfer to jackgelber70@gmail.com or by sending a cheque, payable to Woodturners Guild of Ontario, to

Jack Gelber

I look forward to seeing everyone tomorrow night, Juanita has already sent out the Zoom notice, if you don't have it handy, let me know.

Until then, Happy Turning!

Stay healthy, stay happy and keep smiling!
